

HOMEBAKE ETIQUETTE

(OTHERWISE KNOWN AS DO'S & DON'TS!)

THANKS FOR TAKING THE TIME TO READ THIS INFORMATION. IT IS IMPORTANT SO PLEASE READ IT CAREFULLY.
PLEASE NOTE NEW POINTS REGARDING ENTRY TO HOMEBAKE THIS YEAR.

Due to strict licensing regulations, EVERY ticket holder will be wristbanded upon entry to HOMEBAKE. Please also note that any person at HOMEBAKE without a valid and authorised wristband will be immediately removed from the site. There are NO exceptions to this rule. Thus, it is important to note that your wristband remains your 'passport' to attend Homebake and stay within The Domain (festival area), and also provides a guarantee that you are legally over 18 years of age.

* PLEASE - Be very aware that there will be strong Police & Security presence at HOMEBAKE to ensure general security and safety for all patrons. Police drug (& dog) detection operations will also be in attendance.

* PROHIBITED ITEMS - The following items will not be allowed at Homebake. No bottles, cans, glass, skateboards, boogie boards, milk crates, chairs, stools (folding or otherwise), studded wristbands &/or belts etc, water pistols, fireworks, alcohol, drugs, laser lights, weapons of any type, umbrellas, video and tape recording devices. Any items considered illegal or dangerous will also be banned from entry. No animals will be allowed on site.

* The gates will open at 11.00am. The event concludes at 11.00pm.

* All bags and containers will be searched - so, please be prepared to be searched upon entry. Unfortunately we need to do this and your co-operation is appreciated. All ticket holders, guests and associated will be required to pass through security checkpoints whereby the following procedures will take place:

- 1.) Present ticket for admission.
- 2.) Show valid government photo ID to obtain security appropriate wristband according to your age
- 3.) Present bags for inspection if requested
- 4.) Remove items from the bag when requested
- 5.) Dispose of prohibited items in the bins provided or remove them from the site
- 6.) Place items back into bags after inspection

* Please note that there will be no storage facilities at this event for any items that are mentioned on the prohibited items list. Any items which are considered dangerous or illegal found during this consented search by security staff will be passed onto the Police who will deal with the matter. If you are wearing or carrying items which are on the prohibited list, you will be given the opportunity to return them to your vehicle otherwise they will be confiscated and not returned. Knives and other dangerous implements will be given to the police and you may be detained.

* No containers/bottles of water/liquid (sealed or otherwise) will be allowed onto the site via entry point. However, please remember to drink lots of water throughout the day. Free tap water available at bars and designated stations (see map)

* Remember - it is a long day and HOMEBAKE will run rain or shine so it is a good idea to be prepared. Bring a hat or cap & sun block if it is hot, and a rain coat if it looks like rain (no umbrellas will be permitted).

* Remember - HOMEBAKE is now (by law) an over 18 years of age event. Thus, if you wish to enter the event please bring current & valid photo ID - ie: drivers licence.

* Pass outs will be available from 5pm (under licensing police jurisdiction).

* Stage diving, crowd surfing, moshing are absolutely prohibited and will not be tolerated. Any patron caught practicing this behaviour risks eviction from the site and possible fine.

* Coat check facilities are available at back of venue (close to Rowland S. Howard Stage).

* St Johns Ambulance will be on site for the duration of the event - if you require assistance refer to the map for locations. The Red Cross Save A Mate (SAM) program will also on site throughout the day. Comprising teams of accredited staff SAM volunteers (visibly dressed in Save A Mate shirts) will be roaming Homebake and are there to assist you. Make sure to say hello!

* We also ask that you please be mindful keeping the Domain and surrounding area's clean. We have implemented a recycling system for all cans and PET bottles (make sure to check this out at all bars) and have copious marked bins throughout the site. Please use these bins as you see them marked and show that you respect the environment and in turn, keeping our beautiful city pristine.

PLEASE KEEP ALL OF THIS IN MIND WHEN COMING TO HOMEBAKE AND MAKE SURE TO LOOK OUT FOR EACH OTHER.

IN THE EVENT THAT YOU NOTICE A PROBLEM OR FEEL THAT SOMEONE REQUIRES ASSISTANCE, PLEASE IMMEDIATELY NOTIFY THE CLOSEST HOMEBAKE SECURITY REPRESENTATIVE (CLEARLY IDENTIFIED IN HOMEBAKE SECURITY SHIRTS).

THANK YOU FOR YOUR PATIENCE & MOST OF ALL ENJOY YOURSELVES!
